Sir:

In accordance with the duty of disclosure under 37 C.F.R. Sections 1.56, 1.97, and 1.98, Applicant hereby submits the following for the Examiner's consideration.

The following document was cited in an Office Action conducted in Chinese Patent Application No. 2003 101 02488.0, which is a counterpart of the above-captioned application. An English language translation of the Chinese Office Action is attached. In particular, the European Examiner cited:

(1) Great Britain Patent Application No. 1,019,842 published February 9, 1966.

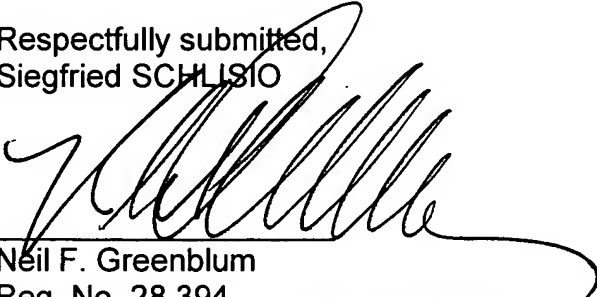

The above-cited document is listed on the enclosed completed copy of the PTO-1449 Form. Accordingly, the Examiner is requested to consider these documents and to indicate such consideration by returning a signed and initialed copy of the PTO-1449 Form with the first official communication.

Moreover, a copy of the Chinese Office Action and of the cited non-U.S. patent document are being submitted herewith.

In accordance with 37 C.F.R. 1.97(e), the undersigned hereby states that the item of information contained in the information disclosure statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the information disclosure statement. Of course, this statement does not apply to U.S. patent family members forwarded for the convenience of the Examiner, or to information that has previously been cited by Applicant or the Examiner in the present application, as that information is already of record and no certification is necessary.

However, if the first action on the merit has been mailed prior to the filing date of this Information Disclosure Statement, Applicant hereby authorizes the Commissioner to charge any fees necessary to ensure consideration of the documents cited herein to Deposit Account No. 19-0089. Respectfully submitted,

Respectfully submitted,
